

Prism

Degree & P.G. College
Affiliated to Andhra University

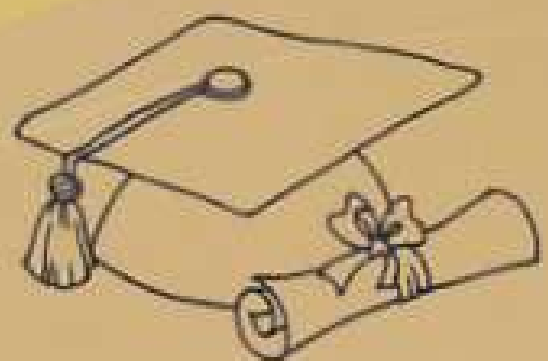

Motto

Prism Degree & P.G. College was established in 2001 with an object to impart value based education to the student community at large. Due emphasis on character and culture along with holistic development of the individual is the motto of the college. At Prism **B.Sc., B.Com., BBA & M.Sc.** courses are offered.

FOCUS

As a college of Science, Commerce and Management, the institution aims at providing comprehensive teaching and empowering the students to succeed in their chosen fields. Co- Curricular and Extra -Curricular activities are designed and conducted not only to imbue keen interest in the subject but also to bring out the best. The faculty members make all efforts to render the class room instruction lively and interesting through which the students can reach the insights of the respective subjects.

Commitment

The college is committed to produce responsible citizens to the cause of the society.

Prism has been assiduously striving to carve a niche in the sphere of education since its inception through the best infrastructure, committed faculty and the state of the art technology in order to explore the core of the aspirants in all possible means.

The talent of the students is identified, nurtured and encouraged through multi-dimensional activities on continuous basis.

Students of prism could make a mark in the placements in prominent MNCs, Banks and Corporate companies through training, motivation and support rendered by the college.

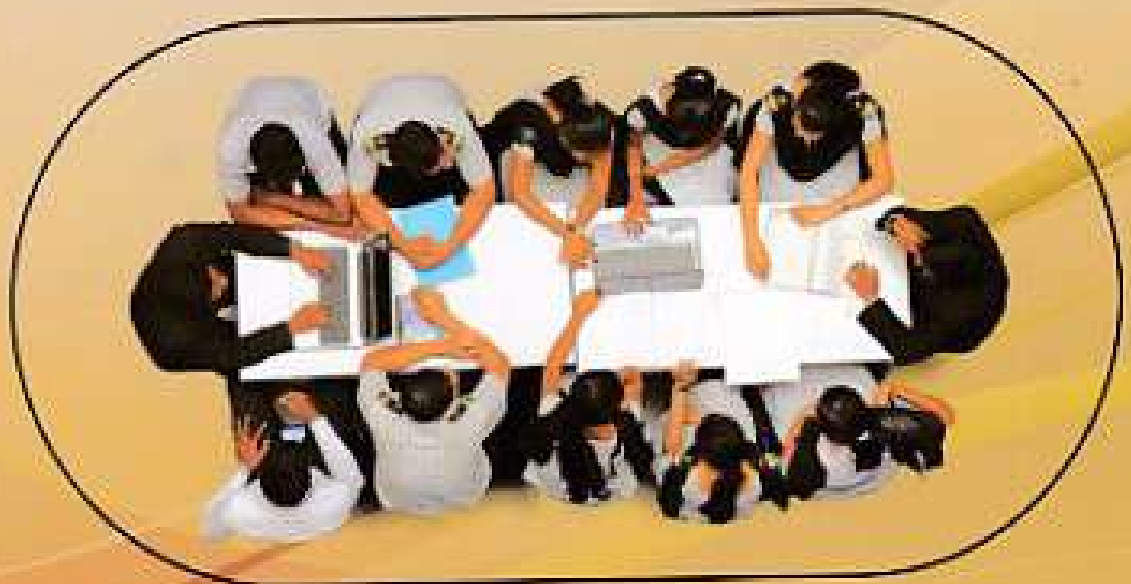

Need of the Hour

Globalization paved the way for enormous employment opportunities in various fields of service sector which requires smart and skilled personnel with knowledge coupled with right attitude. Conducting sessions on current affairs and business trends is a continuous process in the college.

In this context, Tally & GST certification has been provided for Commerce students to give an edge in the employment market. Similarly, Management students are being trained in Big Data Analysis, Digital Marketing, Fintech, Change Management and Cross Culture Management.

Additional inputs are provided to Science students in the fields of Python with Data Science, Cyber Security & Bio informatics to make the students industry ready.

Efforts are made to train the students in Communication Skills, Reasoning, Aptitude and Quantitative techniques so that they can crack and succeed in various competitive examinations.

State-of-the-art

Prism tries to make every possible effort to create a student friendly technical environment. Well-equipped spacious AC Computer lab with internet & Wi-Fi facility, AC seminar hall, Digital classrooms, rich library stocked with books & magazines and spacious reading room are provided.

Anchorage

Prism encourages its students to participate in various Inter Collegiate and Inter University competitions. The college conducts several academic events and cultural fests to instill organizational skills and leadership qualities. It is a regular phenomenon to provide newspapers freely to disseminate knowledge among the students. Brain storming sessions, PPTs and Quiz programs are regular features at Prism.

Eminent speakers are invited from industry and academia to enlighten the students. Discourses by Spiritual personalities are also organized in order to chisel out sense of moral and social conscience.

The Disciplined behavior of students, their performance and ranks in the University Examinations, placements secured and pursuance of higher education in prestigious institutes are a few examples to cite the quality training imparted by the college.

"We look up to reach the heights
We look down to feel the might..."
